**THEA GARCIA**

**“DIGITAL BACKGROUNDS”**

**2:00 PM - 5:00 PM**

There's no need to spend a wealth of money on canvas or muslin backgrounds. With Photoshop, come see how easy it is to take any digital background and place it behind your subject and make it look *real*. An understanding of layers and masks is recommended. You are welcome to bring your own computer but it's not necessary.

**(732) 598-7771**
